

Homework and reminder for 6 Respect 2013-2014 Term 1
Aug 2013 – Jan 2014

17 Jan 2014

1. Assessment 4 paper (Investigation: pattern): parent sign and return on Tuesday (if you have been to project week already, return on 10 February).
2. A lot of you still not fix your e-portfolio (2 student work samples with in-depth reflections).
3. Mathletics task throughout the New Year break.
4. Read the suggested book (check assessment wiki, reading booklist) throughout the Lunar New Year Break.

13 Jan 2014

1. Revision test (Term 1): do corrections, let parent check and sign the paper (sign on the first page next to the grade) hand in tomorrow.
2. Hand in the organised binder with the checklist and self-reflection for term 1. Download the checklist if you lost the one I've given to you before the Christmas break. (This homework is due today, but a lot of students didn't get it done yet)
[Checklist for binder_T1.pdf](#)
3. E-portfolio - at least 2 students work and reflections (can be more than that) done. Will check at any lesson starting from tomorrow.

19 Dec 2013

Revise for SAW.

Check assessment wiki for suggested answer for the practice for growing pattern.

Do Mathletics task.

17 Dec 2013

Finish the practise for growing pattern, bring in Thursday for discussion.

Keep revising for the quiz on Thursday (all topics)

16 Dec 2013

To my disappointment, even though I have extended the deadline for the homework, still a lot of the class didn't complete.

A job as simple as check and tick the answer if they are correct or do corrections if they are wrong, was mostly not done.

Make sure you fix all the problem I've told you today.

Keep reviewing for tomorrow and Thursday's quiz.

*(Please remember to bring in your LPD journal tomorrow, put in to the pile near the window side during homeroom time or Maths lesson.)

13 Dec 2013

Due date of items 1-4 set tasks on 12 Dec have been extended to Monday.

(1. Bring all Maths Journal back on Monday and Ms Yeung will check it and hole punch so that you can put it in the binder.

2. Make sure you have all exercise marked and corrected and all set tasks done

3. a. H&H MYP1 (p.226-228: 12E: 1ai, 1bii, 2aiii, 2biv, 4, 7, 10) must use the textbook (hard copy's measurements)

b. Finish H&H MYP1 (p.229-230: 12F: 3a, 3c, 5a, 5c, 7a, 7c, 9a, 9c, 10)

4. Do corrections of quiz on fraction and decimals). [Yuki: your paper is with me since you are absent yesterday]

H&H MYP1 (Ex 12G any two questions you haven't done in class), use the 5 steps.

12 Dec 2013

1. Bring all Maths Journal back tomorrow and Ms Yeung will check it and hole punch so that you can put it in the binder.
2. Make sure you have all exercise marked and corrected and all set tasks done (when I checked today, still some of you haven't done so)
3. Finish today's classwork tasks:
 - a. H&H MYP1 (p.226-228: 12E: 1ai, 1bii, 2aiii, 2biv, 4, 7, 10) must use the textbook (hard copy's measurements)
 - b. Finish H&H MYP1 (p.229-230: 12F: 3a, 3c, 5a, 5c, 7a, 7c, 9a, 9c, 10)
4. Do corrections of quiz on fraction and decimals (due next Monday).
5. Organize you binder (due 13 Jan 2014) Refer to the checklist for detail

[Checklist for binder_T1.pdf](#)

you might choose to type your reflection or write on the checklist

10 Dec 2013

1. Do in Maths Journal:
 - a. Finish H&H MYP1 (p.221-223: 12C: 1, 3, 5, 7, 9, 11, 13 part a and c of each questions only)
 - b. Finish H&H MYP1 (p.224-225: 12D: 2d, 3b, 4a, 6, 8)
- Continue to revise for the quiz next week (on decimals, fractions, percentages, problem solving strategies and basic algebra).

9 Dec 2013

Finish H&H MYP1 Review Set 12A (if you didn't finish in class), spend not more than 30 minutes on it.

Start revision for the quiz next week (on decimals, fractions, percentages, problem solving strategies and basic algebra).

6 Dec 2013

1. Some of you are still working on the discount and percentage worksheet. Download and check answer yourself

exercise on percentage_solution.pdf

- [DetailsDownload](#) 1 MB

2. Self-study and do the examples: My Pals 6A Chapter 6 (p.148-153) then, try any 3 questions from My Pals 6A: practise 6b (p.153-154)
3. Check answer for My Pals 6A (p.11-12, p.146-147)

My Pals 6A_p11-12.pdf

- [DetailsDownload](#) 671 KB

My Pals 6A_p.146-147.pdf

- [DetailsDownload](#) 694 KB

5 Dec 2013

1. Finish the classwork: worksheet (91, 92, 93, 94, 98, 99, 100, 101). Some of you have finished all of them and most of you have finished more than half.
2. Try any 3 questions from My Pals 6A: practise 6b

3 Dec 2013

1. In your Maths Journal finish the followings (Due on Thursday)
 - a. Finish My Pals p.147 (Practise 6A: any two questions from 9-12), show clear workings as example shown in class (question 8)
 - b. Finish worksheet 91 (Can we find a 20% discount?)

2 Dec 2013

1. In your Maths Journal finish the followings (Due on Thursday)
 - a. Finish your classwork (My Pals p.146 (Practise 6A: 1-7)
 - b. Finish H&H 14F (1d, 1g) & 14G (2, 3, 4, 5)
2. Do Athletics set tasks (report to me if there is still problems)

29 Nov 2013

1. Make sure you have finish all the homework set on 28 Nov.
2. Create a word problem similar to those in H&H 20F, type the questions and the solution, send to ryeung@vsa.edu.hk before 9:00pm this Sunday (1 Dec) check the calendar for detail example.

28 Nov 2013

Solution for decimals exercise

Decimals_supplementary exercise_solution.pdf

- [DetailsDownload](#) 4 MB

1. Download the decimals exercise above:
 - a. check if you have check your own answer
 - b. if the answer is wrong, do the corrections (use single-lined paper and staple/stick to your Maths Journal)
 - c. Re-do them as revision
2. Finish the classwork (20E.2: 3a, 4h and 5j) - show clear steps as show in class using either maintaining balance or inverse operations method.
Do 10 more questions from 20E.2 (2 from each questions of no. 1-5) - must show clear steps as show in class
(line up all the equal signs, only write one equal sign each row, keep your work tidy, clear and logical)

26 Nov 2013

You've got back your Maths Journal today.

Finish the followings (due Thursday 28/11):

1. Do corrections
2. Do any missing homework task (H&H: 20A-20D & 6A Ch 1: practice 1a and 1b)
3. Don't forget to finish the work we set yesterday
Ex 20E.1 all questions, 20E.2 (at least 2 sub-questions for each questions, e.g 1a, d, 2c, e...)

25 Nov 2013

The following students still haven't hand back the assessment 3 paper with parent's signature:

Ji Ho, Amanvir

The following students still haven't hand in the follow-up task for assessment 3:

Hyden, Lara (abs)

1. Ex 20E.1 all questions, Ex20E.3 (at least 2 sub-questions for each questions, e.g 1a, d, 2c, e...)

I will return the Maths Journal and the homework will be due on Thursday (28/11)

22 Nov 2013

1. Mathletics: Some students bring out the problem to me that after you've done a task, they didn't show your results. I also found out that all our set tasks have disappeared.

I decided not to set tasks until the Mathletics company have fixed the problem for us.

2. Next Monday (25 Nov), during recess time go to the library, check out one iPad and then line up outside the library quietly until all 20 iPad have been checked out (First come first serve, or you need to share with your good friend). Then, we will be using the DragonBox within the library area.

The following students haven't hand back the assessment 3 paper with parent's signature on time:

Ji Ho, Amanvir, Joyce, Vien (make sure your hand in on Monday)

The following students still haven't hand in the follow-up task for assessment 3: Owen, Valids, Joyce, Jacky, Chantelle, Lara, Adrian, Vien, Hyden, Yuki, Kyle, Amanvir, Ethan Chan, Ji Ho.

(make sure you print and hand in the hard copy on Monday).

19 Nov 2013

1. I found that some students haven't finish the homework task set yesterday.

Make sure you all catch up and finish your missing work (see below 18 Nov 2013) - will check on Thursday again.

2. Do Mathletics set tasks - Due next Tuesday (9:00pm)

3. Prepared for a requiz for fractions and decimals.

18 Nov 2013

1. Make sure you finish all the activities for centre 4-7

2. Finish My Pals 6A Let's Practise 1b (p.18) show clear steps in your Maths journal.

3. Write a short reflection about the 4 centre you've done today.

a. What have I learnt from each centre?

b. Am I doing well as a partner or a group member?

c. Is our group's discussion run well? Why or Why not?

15 Nov 2013

Assessment 3 paper:

1. sign by parent and return not later than next Tuesday (19/11)

2. assessment 3 follow up tasks: choose 1 or more task to finish, (you can type or hand written in A4 paper)

Print the hard copy and hand in next Friday (22/11)

14 Nov 2013

1. All of you have finished all 3 centres already. You need to finish your centre's work (in your Maths journal, show the date, the name of the centre, the work you've done for this centre and the following extension work and homework).

Centre 1 - Ex1 and Ex2 and My Pals' 6A: Let's Practise 1a (p.11-12: Q1-4)

Centre 2 - Ex 3 and My Pals' 6A: Let's Practise 1a (p. 12 Q5)

Centre 3 - Ex 4

2. Also write a reflection at the end of all 3 centres, please include the followings:

- What have I learnt from each centre?
- Am I doing well as a partner or a group member?
- Is there anything I/my group can improve when we are doing the centre work?
- Do I like to learn through centres? Why or Why not?

12 Nov 2013

Amanvir, Yuki and Joyce, you still haven't print the hard copy of your assessment 3, will you seek help from your family and classmates?

1. Finish your centre's work (in your Maths journal, show the date, the name of the centre, the work you've done for this centre and the following extension work and homework).

Group 1 and 2: Centre 1 - Ex1 and Ex2 (My Pals' 6A: Let's Practise 1a (p.11-12: Q1-4)

Group 3 and 4: Centre 2 - Ex 3 (My Pals' 6A: Let's Practise 1a (p. 12 Q5)

Group 5 and 6: Centre 3 - Ex 4

11 Nov 2013

1. I am not going to chase your re-corrections of quiz on decimals and fractions since I've already upload the answer key last week. But if you bring it to me during Maths Help Sessions and Recess time, I am more than happy to mark it for you.

2. Today all of you should have at least 1 growing pattern working to finish, some might have 2 (either level 3, 4 or 5).

3. Continue to bring the H&H MYP1 and My Pals 6A textbooks starting from next Monday. Alison, Amanvir, Yuki and Joyce, you still haven't print the hard copy of your assessment 3 (the whole class are waiting for you to hand in your, because you are keeping them to get back the assessment 3 paper.

(if you are using movie, please type the question and solution in an A4 paper and print it out):

8 Nov 2013

1. We will start the Algebra unit next Monday.

2. Please make sure you bring the H&H MYP1 and My Pals 6A textbooks starting from next Monday.

3. Also make sure you did the re-correction properly as the solution I've share in the wiki yesterday

4. Be prepared for a re-quiz on decimals and fractions.

7 Nov 2013

The following students still haven't print the hard copy of their assessment 3

(if you are using movie, please type the question and solution in an A4 paper and print it out):

Eugene, Alison, Aidan, Griffin, Alyn, Amanvir, Yuki, Joyce, Lara, Hayden and Owen.

Make sure you print and hand it tomorrow.

Download the answer key for the quiz and do the re-corrections properly with clear steps (except Martin and Katherine).

Quiz on decimals and fractions_ans_13-14.pdf

• [DetailsDownload](#) 578 KB

4 Nov 2013

1. The following students still haven't successfully upload the Maths assessment to ManageBac, please keep trying and make sure the format is compatible with mine (odp--> save/export as word/ppt, keynote-->save as ppt...)
Yuki, Joyce, Vien, (didn't upload yet)
Kyle (can't open),
Austin (the link doesn't work),
Ji Ho (please double check what you have uploaded is the complete work, at this moment I can't give you any point)
2. Do the self reflection part of your peer assessment form and hand in tomorrow.
3. Please remember to print the hard copy of your assessment and hand in tomorrow.

1 Nov 2013

Since a lot of students did not finish their homework and cannot show me the real-life problem for the assessment 3 today. I am not able to give constructive feedback to you all. For the ATYP group students, you can send me your real-life problem, way of presentation you are going to use and the 2 strategies you are going to use to me asap, so that I can give feedback within the weekend.
The whole project assessment need to be uploaded through ManageBac before 11:25am on the coming Monday (4th Nov). Make sure you have practice for the presentation too.

31 Oct 2013

1. Make sure you have written your own real-life problem and show to me tomorrow in lesson time so that I can make sure you are on the right track or not.

29 Oct 2013

1. H&H MYP1 p.169: Review Set 10A Question 1-5 (Show clear steps in your Maths journal. (Due 31 October)
2. We will start working on the assessment 3 this Thursday.
Make sure you have done enough research and have decided the 2 problem solving strategies you are going to do.
If you are doing poster, you should bring in material you needed.

28 Oct 2013

1. Hand in your Maths journal tomorrow with the completed HW: Opening problem (MYP1 Ch10), Problem 4 or 5 of drawing strategies.
2. Finish the problem 2 of "Listing strategies".

18 Oct 2013

1. Finish the opening problem (MYP1 Ch10) - write full solution in your Maths Journal.
2. Download the assessment notification for assessment 3 on problem solving strategies, start research within the term break and you will be given 3 lessons in school time to work

on it and 3 lessons to present or peer assess your classmates.

3. Keep your quiz 1 and make sure you can do similar questions and I am going to give you a quiz after term break on the same topics.

4. Keep revising decimals and fractions units. (finish more questions on H&H MYP1 Ch6, 8, 9, 11 and My pal 6A Ch4) and do more Mathletics tasks of your weak areas.

15 Oct 2013

Keep revising for the decimals and fractions units. (H&H MYP1 Ch6, 8, 9, 11 and My pal 6A Ch4)

Quiz on decimals and fractions: corrections (write in separate piece of paper), parent sign (optional), hand back on Friday.

Finish the set Mathletics task.

Remember to bring in MYP 1 text book and My Pal's 6A.

Remember to hand in assessment 1 and 2 (with parents signature) if you still haven't.

11 Oct 2013

1. Make sure you have tidy up your binder (your binder should have the followings):

cover page (with name, class, and subject) - you need to draw or print it with A4 paper,

dividers (to separate different units) - you can buy or make it yourself,

MYP assessment criteria, schedule and yearly overview (in the front) - can be downloaded from the Assessment wiki and my wiki.

Learning Materials: decimals and fractions worksheet (under a proper divider) - you need to search everywhere at home and school.

2. Assessment 2:

a. Corrections (do in a separate piece of paper or at the back of your paper, make sure you use a different colour pen to do it)

b. Parent signature (cover page, next to the grade)

c. Remember to hand back the Assessment record sheet next Tuesday.

Note:

Ji Ho, Ethan Lau, Valdis, Joyce and Chantelle do not have assessment 2 because they didn't hand back the assessment paper 1 with parent's signature.

Jacky and Griffin do not have the assessment paper 2 because they return to me accidentally.

10 Oct 2013

1. Make sure you finish all corrections for fractions WS (with good quality/ showing workings, etc).

You might download the suggested solution and follow the proper steps.

02_Fraction_four operations_Pre-test_solution.pdf

• [DetailsDownload](#)242 KB

2. Tidy up your binder (your binder should have the followings):

cover page (with name, class, and subject),

dividers (to separate different units),

MYP assessment criteria, schedule and yearly overview (in the front)

Learning Materials: decimals and fractions worksheet (under a proper divider)

3. Return your assessment 1 (budget) with parent signature and correct, otherwise, you will not be given the Assessment 2 (fractions pattern) to take home tomorrow.

8 Oct 2013

1. Some of you still haven't finished the fraction WS 3 corrections, make sure you finish it and bring in Maths help on Thursday (10 Oct) 8:00-8:25am in room 915
2. Tidy up your binder (your binder should have the followings):
cover page (with name, class, and subject),
dividers (to separate different units),
MYP assessment criteria, schedule and yearly overview (in the front)
Learning Materials: decimals and fractions worksheet (under a proper divider)
3. Assessment 1 (Budget):
 - Do corrections on a single lined-paper if needed,
 - Remind your parent to sign next to the grade on your single lined answer paper.
 - Submit the corrections and the whole paper not later than Friday.

7 Oct 2013

1. Remember to bring in the "Practice exercise 1" (for investigating patterns/ assessment 2) and hand in next lesson.
2. Finish the corrections of fraction WS1, 2 and 3 (if you don't understand we will have 1 more lesson to help you)
3. Assessment 1 (Budget):
 - Do corrections on a single lined-paper if needed,
 - Remind your parent to sign next to the grade on your single lined answer paper.
 - Submit the corrections and the whole paper not later than Friday.
